Texas Risk and Authorization Management Program Certification

The information below is provided as a companion to the TX-RAMP Certification.

Cloud Service Name

WestFax, Inc: Secure Cloud Fax

Cloud Service Provider URL

https://westfax.com/

Cloud Service Description (200 words or less)

WestFax is a cloud-based faxing service that offers a variety of features, including: Secure faxing: WestFax uses end-to-end encryption to protect your documents from unauthorized access. HIPAA compliance: WestFax is HIPAA compliant, so you can be sure that your medical records are safe. Integration with other applications: WestFax can be integrated with your existing email, CRM, and other applications. Mobile app: You can send and receive faxes from your mobile device with the WestFax mobile app. Paperless faxing: WestFax can store your faxes in the cloud, so you can access them from anywhere. WestFax is a good option for businesses and organizations that need to send and receive faxes securely and reliably. It is also a good option for businesses that want to go paperless.
